15 September 2022

Remove mesh from the old fence, mowing along the fence, dig holes for gate posts

29 September 2022

Mowing near the fence, removing rocks and wire.

6 October 2022

Rohan mowed the area earlier in the week in readiness for work. Remove all the dead plants. On Friday, Piers and Les hung the gate that Les repaired.

13 October 2022

Mowing done and seat installed in memory of Binks Dowling.

20 October 2022

Planting trees.

27 October 2022

Mowing done.

3 November 2022

Clear area and prepare 40 spots in readiness for planting trees that have been purchased from Armidale.

10 November 2022

40 trees planted. Rohan met with Steve Allan (BSC Mayor) on Monday 14 November to outline work done on BRW.

17 November 2022

Remove the last of the wire from the fence and check new plantings. Rohan ill, but reported that the Mayor was very complimentary and a platypus was sighted near the weir on the visit.

24 November 2022

Mowing and checking on the new plantings.

8 December 2022

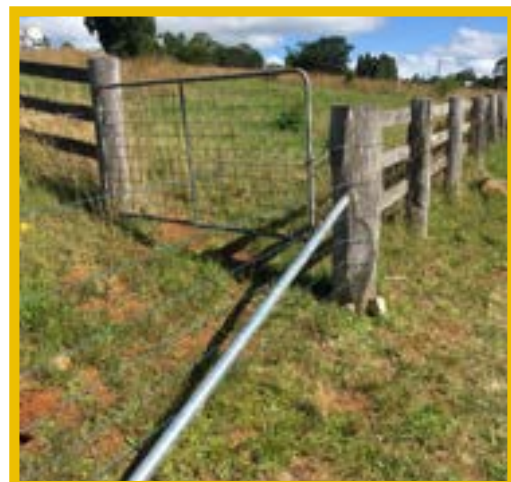

Mowing, remove all surplus stakes and repair damage to the platform area.

5 January 2023

Continue the maintenance of the BRW.

10 January 2023

The photos show the completed boundary fence between Steve Gibson's property and BRW, thanks to the generosity of Neil and a donor .

19 January 2023

Mowing.

26 January 2023

Meeting with the Dorrigo  
Community Nursery at 8.30

5 February 2023

Photos sent to Dandarra  
Landcare from Peter Lynch  
showing recovered signage.

30 January 2023

*Dear Annie, committee and volunteers,*

*I was only too happy to erect the fence after seeing what you, the committee and volunteers have achieved in beautifying the river bank walk. It's a credit to everyone involved. Dorrigo is very lucky to have such dedicated people.*

*Thank you for taking the time to say thank you, it's very much appreciated.*

*Kind Regards*

*Neil Wilson*
